Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the City of Fountain Valley in fiscal year 2024.

The entity to receive funding for this project is City of Fountain Valley, located at 10200 Slater Ave Fountain Valley, CA, 90740.

The funding would be used for constructing a Universally Accessible Playground is a sensory-rich recreational environment that enables children and adults of all abilities to develop physically, socially, and emotionally.

The project is an appropriate use of taxpayer funds because regional area has lacked a true universally accessible playground and recreational area where all people can come together and recreate.

The project has a Federal nexus because the funding is provided for purposes authorized by United States Code 42 USC 5305(a) (2) the acquisition, construction, reconstruction, or installation (including design features and improvements with respect to such construction, reconstruction, or installation that promote energy efficiency) of public works, facilities (except for buildings for the general conduct of government), and site or other improvements.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Michelle Steel  
Member of Congress
